

"A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. R. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me a great deal. After my baby came, I was strong and better, but the pain was still there.

I at first let it go, but began to feel weak and in a run-down condition. So I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better. In fact, cured me. I have been a number of years, still have no return of this trouble.

I feel it was Cardui that cured me and I recommend it as a splendid female tonic.

Don't allow yourself to become weak and run-down from women's troubles. Take Cardui. It should be in every home, as it has so many thousands of other women in the past 4 years. Headache, backache, sideache, nervousness, sleeplessness, tired feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

GRIP, INFLUENZA

Washburn's Wizard Oil a Reliable, Antiseptic Preventive

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and sniff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "the germ."

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza.

Get it from druggists for 30c. If not satisfied, return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whisk, pleasant little pink pills, 30c at druggists. Guaranteed.

The following letters were sent to Mrs. W. S. Lewis from her son: Sunday afternoon, Oct. 20, 1918. Dearest mother, father, and all. I will today and pleasure in writing just a short letter. I hope you will be glad to say and as far as I am concerned I hope it will find each of you well.

By the way, Jim Skinner and Calvin Wiggins are here at the Evacuation Hospital No. 2 with me.

Well, you have almost got in all the cotton now. Hope you had plenty of help to harvest the crop. How are the tobacco prices holding up? Do you ever hear from Glaucus?

I mailed a letter to Jesse L. on the 10th of Oct. I think it was. Did he ever receive it as you know of? How are all the little ones? Well, and going to school I hope.

How are my little nines getting on, do they work all right? Well, be good and don't forget to pray for your son who is over in the European countries, as I remember you all in my prayers.

With my best regards to all and mine soon.

As ever, your devoted son, Albert L. Lewis.

P. S.—Don't forget to pray to God that I may receive my discharge some sweet day. I am living in hopes to see you all ere many more months run by. Until then, Good-bye.

Base Hospital No. 27, Oct. 23. Dearest mother—I will write you a line at present.

Mother, on October 15th I was sent over the top again when all once one of the Dutch cannon hit it in about 6 feet or so and I burst. I was lying behind a large stump, but I got my left leg, it not serious, mother.

I do believe this war will soon be over, for we sure are driving the much last and capturing lots of them.

Listen, I have not been paid off since I left the States, so I can't cash my bank account when I get paid. Did you ever get my insurance policy?

Mother tell Johnnie I've got lots to tell him when I do get home, about hunting. For this is like going down in the swamps squirrel hunting. It's greater fun than that, for the squirrel cannot shoot back at you, and the game we are hunting for shoots and does pretty bad, but they can't stand the American boys.

I guess I will get all o. k. pretty soon, hope so anyway. I sincerely hope you are all well and enjoying life.

So all be good. Give my love to everybody and answer soon, to your son, for I've not heard a word from any of you all since I left old U. S. A. so please write soon. Excuse my scratching, it's the best I can do now. Send to the same address.

As ever, your devoted son, Glaucus Lewis.

Co. A. 168 Inf. A. E. F. France. If you can send it to Base Hospital No. 21, U. S. A. P. O. 732 and I will get it just the same. Bye bye.

CAPT. DAVIDSON SPENT HUNDREDS

"I Certainly Struck the Right Thing When I Got This Tanlac and the Change in Me is Wonderful."

Capt. J. A. Davidson, one of the best known conductors in the employ of the Memphis Railway Company, residing at 633 Marshall Avenue, Memphis, Tenn., is very enthusiastic over the merits of Tanlac.

"I suffered for five or six years with stomach trouble and indigestion," said Capt. Davidson. "My food would sour and ferment in my stomach and form gas that made me miserable. I was so nervous that I could not get any rest or sleep and in spite of all the medicines I took—and I spent hundreds of dollars for them—I got worse all the time until I thought I would have to give up my run."

"I certainly struck the right thing when I got this Tanlac! The change in my feelings is just wonderful. I couldn't tell that I had ever had indigestion, by the way I feel now. I have the biggest kind of an appetite, just can't eat enough to satisfy me and nothing disagrees with me. The nervousness has left me entirely and I sleep like a log at night and I am feeling like a new man. All my friends and acquaintances are talking about my wonderful improvement."

Tanlac is sold in Wilson by Tur-lington and Morrison.

HOPE CAUGHT \$50,000 DAMAGE
The explosion of an oil stove in the basement of the tobacco sales warehouse, where some colored tobacco graders were busy, is believed to have started the blaze. In the warehouse was a large quantity of tobacco, including a large amount in the basement. The warehouse building was destroyed, including the tobacco. The sales stables of W. H. Griffin and I. B. Gardner, the machine shops of J. H. Collier and S. W. Brantley and A. D. Wellhouse were also burned to the ground.

The was the largest in Spring Hope in many years, and for a time it seemed as if the whole southeastern portion of the town was doomed. The bucket brigade worked heroically and checked the progress of the flames as they were threatening two other store buildings.

OFFICIAL VOTE IN STATE OF NEW YORK

New York, Nov. 27.—With the soldier vote not yet tallied, Alfred E. Smith leads Governor Whitman by 8,222 in the official count of the vote for Governor compiled here yesterday for all counties except Cayuga.

In that county, unofficial figures which were included in obtaining the plurality given, showed 11,057 for Whitman and 6,252 for Smith, but a voting machine record in the town of Moravia of more votes for Whitman than there were registered voters, resulted in an examination of ballots for Supreme Court Justice Clark.

The official canvass in New York City gave the Governor 286,449 votes and his Democratic opponent 54,576. Outside the city the vote for Whitman totaled 699,198 and for Smith 446,293.

BOSTON WOMAN RECOMMENDING IT TO HER FRIENDS

Popular Boston Lady Says Tonaline Has Proven a Godsend to Her

It is always interesting to listen to the statements of our friends, and especially when you know they are sincere and honest in what they say. Added interest is created in a statement coming from one who has spent a lifetime in Boston, where she is well known socially.

Such a person is Annie Stewart, who resides in Boston, and is possessed of the respect and confidence of her associates (and is willing for anyone to call on her to verify the following signed testimonial.

"I have suffered with stomach trouble for the past seven years. It took the form of indigestion and dyspepsia. I had dizzy spells and headaches, and after I ate a little food it would ferment and cause gas to form in my stomach. I had pains all over my body, and was chronically constipated. My liver was torpid, and I felt generally miserable. I had doctored and had been in the hospital, but received no permanent relief. I was so nervous and restless that at night I could scarcely sleep. The gas pressing under my heart caused palpitation, and when I arose in the morning I was just as tired as when I retired. About two weeks ago I began to take tonoline, and I can truthfully state that it has done wonders in my case. I am feeling like a new woman and can eat any kind of food. I sleep the night through and have no more aches or pains; in fact it has cured me, and I am recommending it to all of my friends, as it has been a Godsend to me."

The Patterson Drug Co. sell and guarantee tonoline.

There are numerous symptoms of this trouble that tonoline can relieve. In fact, any of the following may denote affections of the stomach: indigestion, dyspepsia, belching of wind, bad breath, sick throbbing headache, poor circulation, night sweats, that tired feeling, constiveness, coated tongue or a poor complexion.

Caution:—As tonoline is recommended as a flesh builder those not wishing to increase their weight 15 pounds or more should not take it continuously.

THE GRAND LODGE OF N. C.

Ancient, Free and Accepted Masons George S. Norfleet, Grand Master Winston-Salem, N. C. "To the Masons of North Carolina: Brethren: For the past few years there has been a beautiful custom among many North Carolinians of giving one day's earning to the Orphanage of their choice, as a Thanksgiving Offering. If this annual gift should be made by all of our citizens, no Orphans' Home in the State would ever have to solicit funds."

Masonry had the honor and privilege of establishing the first Orphanage in North Carolina, so why shouldn't Masonry be the first to put its home on the right financial basis.

During the past year and a half our people have been called upon to finance the greatest enterprises the world has ever seen. They have responded in a magnificent way, buying War Stamps and Liberty Bonds and making liberal gifts to the Red Cross, Y. M. C. A., and all other great War Activities. The Masons of North Carolina have been among the leaders in all these efforts and I congratulate and thank you for your splendid work.

Oxford Orphan Asylum needs your help this year more than ever before, for two reasons: First, because the ever-increasing cost of all food supplies, clothing and other necessities of life has made our expenses greatly exceed those of last year. You know this is a fact by your own living expenses. Second, because our Singing Class had to abandon its tour on account of the influenza epidemic, thereby cutting off several thousand dollars of our usual revenue.

I, therefore, most earnestly appeal to every Mason in North Carolina to give one day's wages, whatever it may be, or more, to YOUR Orphanage this year, as a Thank Offering to God for His goodness to you.

As soon as you read this appeal, sit down and mail your check to Brother R. L. Brown, Superintendent, Oxford, N. C.

Thanking you in advance, in behalf of our fatherless children, I am Fraternally yours, GEO. S. NORFLEET, Grand Master.

LICENSE TAX ON USE OF AUTOMOBILES CUT OUT

Washington, Nov. 27.—In further revision of the war revenue bill the Senate finance committee yesterday struck out entirely the proposed federal license tax on use of automobiles and motorcycles which ranged from \$10 to \$50 annually in the House bill, according to horse power and from \$5 to \$25 under the plan previously adopted by the senate committee.
